# Welcome to Now Kitchens

Combining beautiful design and exemplary service, we are dedicated to helping our clients achieve transformative kitchen spaces. Our friendly, award-winning designers will go above and beyond to help you get the most out of your interior without trying to upsell you. At Now Kitchens, we always put our client's best interests first.

Our multi-disciplined team have been bringing exceptional kitchens to life in Cornwall since 2008. We oversee the whole process from design to completion, whether you employ our team of trusted fitters or your own builders, to ensure your kitchen is delivered to our exacting standards.. We only work with suppliers we know will meet our high expectations.

As well as offering unlimited creative freedom, our elegant collection of British and German kitchens reflects our environmentally conscious ethos. Living in such a beautiful part of the country, we are committed to making sustainable choices to minimise our environmental impact.

We would be delighted to explore how we could help transform the heart of your home and look forward to hearing from you soon.

**THE NOW KITCHENS TEAM**

**Debbie, Stithians**

'Absolutely delighted with our beautiful kitchen. It's everything we wanted and more. Jono was involved from the beginning of our new build and was extremely helpful. We said what we would like, and he did everything else.'

# Our Elegant Kitchen Styles

From charming country cottages to contemporary clifftop studios, over the years, we've created hundreds of beautiful and unique kitchens to suit a range of properties. Our talented designers work with both off-the-shelf and 100% bespoke modern and traditional solutions. We tailor our designs to your needs and tastes, including design features that elevate our kitchens beyond the ordinary.

To ensure we have everything we need to bring your vision to life, we've sourced an exquisite collection of British and German kitchens. Our high-quality products offer impressive design flexibility, catering to budgets ranging from 12k to over 100k. They include a gorgeous selection of styles, finishes, and accessories. So, whether you're looking for a traditional family kitchen or a showstopping contemporary centrepiece, you're sure to find something that captures your imagination.

## In-Frame Kitchens

The ultimate in traditional luxury, our beautiful in-frame kitchens are tailor-made in Scotland to your exact specification, with an extensive choice of luxurious Farrow & Ball colours.

## Traditional Kitchens

From the Scandi-inspired shaker style to the cosy country cottage look, our elegant traditional kitchens are wonderfully versatile.

## Handleless Kitchens

A bespoke handleless kitchen brings a contemporary, streamlined look to the heart of your home. Choose from a wide range of materials, textures and colours for a completely unique style.

## Modern Kitchens

Clean, understated, and truly timeless, our precision-engineered modern kitchens make a beautiful and practical backdrop to family life.

**Phil, Falmouth**

'We asked Now Kitchens to plan a contemporary kitchen for our renovation in Falmouth. The designs blew us away. Throughout the process they have been exceptionally helpful, knowledgeable, and supportive, including installation and after-care.'

# Our Appliances

The modern kitchen is, of course, so much more than a place to cook. However, that doesn't mean you should sacrifice anything when it comes to functionality. At Now Kitchens, we strive to create spaces that enhance your lifestyle, whether you love baking, entertaining or relaxing with a cup of coffee.

We partner with leading brands NEFF, Siemens and Gaggenau to offer you the ultimate in innovation and reliability. Our extensive product knowledge means we can advise on the best appliances to suit your needs and budget. You can experience the latest kitchen technology for yourself at our Helston showroom.

# Your Kitchen Design Journey

With so many practical, logistical, and stylistic elements to consider, we appreciate that planning a new kitchen can be overwhelming. Our experienced professional team will work with you through all aspects of your project. Our fully managed service guarantees the very best results.

[LEARN MORE](#)

## Design

Before we start your kitchen design, we will sit down with you to discuss your vision in detail. We'll take the time to understand exactly what it is you're looking for.

## Home Measure

When you are happy that our offering matches your expectations and budget, our designers will visit your home to survey your space and take detailed measurements.

## 3D Design

Our designers use these measurements to create a photorealistic design in our professional 3D modelling software, allowing you to visualise your new space.

## Final Quote

Once you are more than satisfied with every detail of your new design, we will prepare a detailed and transparent quote for you to review.

## Installation

Our detailed schedule will ensure your kitchen installation runs smoothly. We'll take care of the whole process, leaving you with the perfect new kitchen.

**Philippa, Porthleven**

'We'd been to so many showrooms and had become kitchen blind. Now Kitchens was a different experience. It didn't feel like we were being shoved through a formula of how to sell a kitchen. We had a budget and they worked within it without ridiculous upselling. Choosing our kitchen was stress-free, and that's why I enjoy using it.'

# Why Choose Us?

## **Award-winning kitchen designers.**

Our award-winning team of kitchen designers will go above and beyond to help bring your vision to life. We pride ourselves in creating kitchens that are beautifully unique and made to last a lifetime.

## **High-quality sustainable solutions.**

All of our team love spending time outdoors, enjoying our beautiful surroundings. Thus, we are acutely aware of the impact climate change is having on our world. In a bid to make our kitchens more sustainable, we have chosen to partner with suppliers that share our environmentally focused ethos.

## **A bespoke service tailored to you.**

From offering a fully remote design and installation service to working alongside your builder/architect, we always do our best to accommodate your individual needs. Our outstanding service is every bit as bespoke as our beautiful kitchens.

# Meet The Team

## **Darren, Managing Director**

My philosophy has always been to educate and advise our clients, helping them to make informed purchasing decisions with no hard sell.

## **Jono, Design Consultant**

It's a pleasure to combine my creative interests with great service and unique interior details, so that people can improve their home experience.

## **Christine, Design Consultant & Marketing**

Our kitchen was a centre of family life growing up, so it gives me great pleasure to help clients realise their own kitchen dreams.

# Our Kitchen Projects

Our talented team recently won **KBB Focus's Best Kitchen Installation of The Year** award. Having started from scratch with what was previously a living room, we successfully installed a complex and showstopping kitchen, complete with an architectural Neolith island and smart lighting. We executed every detail with exacting precision while supporting our clients at every turn.

## Striking Modern Design Meets Unparalleled Luxury

Mawnan Smith, Cornwall

We designed this spectacular kitchen to accommodate our client's love of entertaining. This showstopping interior, relocated into the lounge, feels modern and bright. It does an excellent job of maximising the spectacular views.

The handleless gloss finish bounces light around the space. The built-in units and extra-wide drawers emphasise the sleek look.

The 5.2m island with 80mm profiles provides a dramatic centrepiece. The angled form demarcates the working and social zones whilst maximising the host's views.

### Key features

- Neolith 'Mont Blanc' worktop
- Red Dog Glass Design feature glass
- Statement lighting scheme

# Sophisticated Traditional Family Kitchen

Falmouth, Cornwall

Featuring a sophisticated, warm yet neutral palette, this modern shaker kitchen suits our client's Victorian townhouse perfectly. A large island provides space for entertaining, preparing food, and family dining.

The room is divided into zones for food prep, entertaining and laundry. A stunning bespoke larder houses a breakfast bar and baking equipment, with an integral quartz worktop used as a concealed prep area.

## Key features

- Tuscan Walnut cabinet interiors
- Matt Bronze glass splashbacks
- Extensive lighting scheme
- Feature ceiling bulkhead was specified to house extraction and mood lighting

# Minimalist Scandi-Inspired Kitchen

Penzance, Cornwall

Our customers chose a neutral interior design scheme, which made the matt off-white Scots Grey door a perfect colour choice for their home.

A statement island with waterfall ends and extra-wide drawers not only houses an enormous amount of storage but creates a central focal piece, differentiating the kitchen from the dining space.

Overlooking magnificent sea views, this island provides the ultimate cooking experience.

## Key features

- Ammonite Ardesia quartzstone worktops
- Bespoke shelving arrangement
- Exquisite NEFF appliances

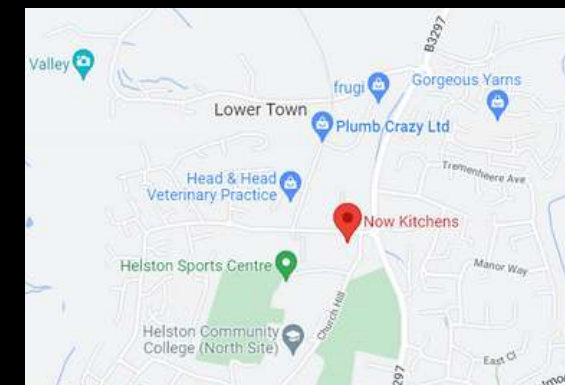

# Our Cornwall Showroom

Situated in Helston, in the heart of Cornwall, our beautiful two-storey showroom is the ideal place to begin your project. We have a lovely selection of British and German kitchens to explore.
